Mattia (Luca Argentero), a building contractor in Perugia on a promising career path, is about to close the biggest deal of his professional life, when his illegally-hired worker Kamal (Hassani Shapi) is badly injured when he falls off some scaffolding. Karim threatens to sue him unless... Mattia takes his place in an advanced chocolate making course! Kamal had come to Italy from his native Egypt to realize his dream of opening his own pastry shop, needing a diploma to do so, and now Mattia has no choice but to take Kamal's place in the school and pretend to be him. But there, Mattia meets the model student Cecilia (Placido), who for her part, is anything but indifferent to his charm... Among laughs, misunderstandings and mouth-watering recipes, Mattia will discover a way to bring his and Kamal's disparate cultures together while finding love and life at the same time.
