Café de Flore

2011- 120 minutes – MA15+ Rating – Drama/Romance

Actors: Vanessa Paradis, Kevin Parent, Hélène Florent

Director: Jean-Marc Vallée

A love story about people separated by time and place but connected in profound and mysterious ways. Atmospheric, fantastical, tragic and hopeful, the film chronicles the parallel fates of Jacqueline, a young mother with a disabled son in 1960s Paris, and Antoine, a recently divorced, successful DJ in present day Montreal. What binds the two stories together is love - euphoric, obsessive, tragic, youthful, timeless love. In 1960s Paris, a working class woman gives birth to her first child, Laurent - a Down Syndrome son. Undaunted she embraces the challenge of raising her beloved offspring as normally as one would any other child. Her husband abandons them both. She bravely brushes this additional hiccup aside as Laurent replaces her spouse as the perfect man of her dreams.
